OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE.

Notification No. 629—*C. S.* 24, *dated* 30*th November* 1912.

The Registrar desires to point out that the submission of manuscript copies of the bye-laws proposed to be adopted by new Co-operative Societies often causes inconvenience and waste of time in the disposal of applications for their registration. In spite of the great care with which the bye-laws are generally prepared by the Organizers of new Societies, it is found that they are defective in respect of arrangement of language and of precision of ideas. Sometimes they do not contain some of the most necessary provisions which should be embodied in the bye-laws, while they often contain matter which may be safely left out.

2. For these reasons the Registrar desires to state that printed copies of model bye-laws, applicable to different kinds of Co-operative Societies, are available in this office, and will be sent on application free of cost to any person who is taking steps to form a co-operative society. When a meeting is held for the purpose of organizing a society, these bye-laws may be read out and explained to those assembled and the blanks left therein may be filled up with due regard to local circumstances.

3. It is requested that these printed bye-laws may be invariably used in connection with applications for registration of Societies.

M. A. NARAYANA IYENGAR,
Officiating Registrar.
